Please know I love and care for you and if I can be a shoulder to cry on, an ear to listen or just someone who cares know I am available to you day or night. Your life has changed forever but I promise it will be okay again. I am living proof. “ Donna, Heather & Amanda: I just wanted you to know that I considered Lem a friend. I remember those years that Jerry was president of the SCA Booster Club and I was in charge of the concessions. Lem was such a wonderful help to me. I could ALWAYS count on him to help me. I knew all I had to do was ask and he was always willing to serve. That meant a lot to me when it wasn't easy to find volunteers. I enjoyed talking with him too. We could always find something to talk about. I don't think I ever saw him upset, angry or not in a positive mood.

I will continue to think of you and pray for you as you begin this time of change and transition in your lives. May God bless and keep you today and all the days of your lives.

“ Donna, my thoughts and prayers are focused on you, Heather, and Amanda. I too mourn your loss as I think back to the good times spent with you and Lem at Camp Dooly. I know God has his arms around Lem now, and that he is in a much better place. I also pray that God will comfort and strengthen you and the girls during this challenging time.

“ Donna
I did not know if you would remember me or not, but I worked in Child Welfare in the 70's when you were with DFCS. I lost my husband on Christmas Day to pancreatic cancer, so I know the grief you are going through. I'm told that it takes about a year to work through the loss. So, let's you and I let God lead the way for us.

“ Donna,
I am thinking of you and your family. Me and my children have been where you are and understand what you are dealing with. Be strong, give your faith to God and he will give you strength to go on. Remember, he never gives you more than you can handle at one time. I have been seeing you at church and will try to speak to you soon. My thoughts and prayers are with you. “ Even though I never had the pleasure of meeting Lem in person. I had the opportunity to work with Lem for over 4 years during my time with ACCG. During our conversations about work he always took the time to share a funny and interesting story to break up the stress of your work day and bring a smile to your face. And, I don't think I ever heard the same story twice. He will be greatly missed.

Please know that my thoughts and prayers are with his wife, daughters, family, and friends.
