“ *I am so saddened to hear of Mrs. Mott's passing. She was a delightful woman who I was always glad to see when I visited Brantley's with my students. The last couple of years I knew she had declined, but each time I saw her, she was aware and interested in the world around her. My students loved seeing her, and so did I. My thoughts are with all of you, and I am grateful that I got to know her, even if just a little bit. She was a special woman!*

“ *Having grown up a military brat, we never had family around, you, Draddy and Gangalli always made me feel like family every time I stepped foot in that house. I always remember Draddy in the kitchen or making afghans. She will hold a special place in my heart. Love ya Draddy give Gangalli a hug from the Damn Yankee!*

“ You and I began our day Sunday of memories viewing pictures of the past of your grandparents Lenora and 'Spec' not knowing in a few hours that God will take her home to be with Him. It was a pleasure to be in her presence. We loved her and it is our loss and Heavens gain..
