“ *Leslie was such a caring person to all whom served as patient rep in the Emergency Center at Phoebe and was truly a joy to work with during the time I spent working there. She could make you smile no matter what and no matter what she was burdened with she always had time to cheer you up. Even years later when I met her again in Publix it was just as though we had never left the EC. The world is better for having Leslie here but heaven is so much more precious knowing she is now there - safe and awaiting a reunion with family and friends.*

“ *My deepest sympathies to Leslie's family. It is still such a shock. I will always remember Leslie with long braided pigtails from our days in kindergarten even though I have many memories of her from our school days, particularly graduating together from Deerfield. She will be missed.*

“ I was heart-brokened to hear about Leslie's passing this week. Even though we didn't often cross paths in recent years, Leslie will always be special to me. My fondest memories of her come from our high school years, especially as seniors when we were cheerleaders together at Deerfield. Leslie always made me laugh with her upbeat sense of humor. I don't know how we would have survived cheerleading camp and all of its horrors without her! I am so thankful that Leslie was a part of my life. We will all miss her very much.

“ This goes out with the most heartfelt and deepest of sympathies to
"William" and Leslie's family. Leslie was one of the kindest women I
had ever met in my life. She always had a warm and friendly smile
to give, was funny, as well as very charming. She had the kindest of
souls, will be sadly missed and was loved by all that knew her.

With much love and prayers,

“ I only had the opportunity to know Leslie a short time, but in her absence i find that i can only be thankful for the few weeks i was able to spend getting to know her. The last day i saw her she was in high spirits. It is in that manner that i will remember her, smiling and laughing with us. She was a kind and humorous individual and she will forever be in my memory. The staff and customers of Hubbles will miss her deeply. My prayers are with her family that they may find solace in their time of grieving.

“ To Will and Mrs. Mooney,

Leslie is a treasured friend and I will always miss her. Leslie and I worked together for a year here at the base. Through ups and downs and many long days, we could always talk and laugh as friends. Leslie was such a lovey person. Always thinking the best about everyone, always with a smile for everyone. I loved her Southern charm and great sense of humor. But always I will remember her warmth and caring. I never ended a conversation or visit with Leslie without a hug and an "I love you." There are special angels here with us and Leslie was a special angel to me. I know how much she loved Will and her mom (and the dogs) and how much she missed her dad. I believe there is a bigger plan than mine and know that I am truly blessed to have known Leslie and to have had the great gift of her love and friendship. Please know that my thoughts and prayers are with you along with my hope for your peace.

Love, Pat

“ *Dearest Leslie,
You have left me with over 40 years of nothing but great memories! From Clancey O'Toole to Lizzane and Jack's wedding. Then there was all of us crashing in on Stella Haley's honeymoon, and most recently the times I spent with you and William and our trip down to beautiful Islamorada and Key West!!!! Animal lover that you are, I'm sure St. Francis has another great soul to help him out.
Love Ya!
I'm so grateful we became friends and that I was a part to be a part of your life and I'll think back to those times and cherish them always.*

“ Please accept my sincere sympathy. Leslie and I were the same age and rode horses together on Beattie Rd. with other neighborhood kids. Although I attended St., Teresa's and then Westover, we shared numerous friends in grade school and high school and I remember her fondly. One of our best mutual friends, Lisa Ranew, painted the murals at Leslie's Restaurant. Another good mutual friend we had in common was Mary Theresa Kimbrell who is my oldest son's godmother. Leslie was a talented woman with a warm welcoming smile and a great sense of humor. May God bless and comfort you, Mrs. Mooney and family. She will be remembered and missed.

“ God has another angel at his side. One who gave selflessly and joyfully. I met Leslie in Atlanta when my oldest child was very young while shopping in the children's department at Neiman Marcus. Little did I know that she would continue to be in my life as a patient rep in the EC. She successfully persued her dream and ventured into the restaurant business and once again, she entered my life through my son, Wells, who no one else would give a job because he had no experience as a waiter. Hubbles will always be a special place to me and my family - because of Leslie. We will miss her very much and my heart and prayers go out to her family.

God will be with you, Mike, and Pam each day as you make the new adjustment in your life. Open your heart to those that love you, cry when you want to, laugh at the good times that you have shared with one another and keep yourself busy.
