“ Dear Connie,

*I read your mother's obituary in the Sun Journal this morning and had to write to let you know what a kind, gentle person I remembered her to be. She always seemed to have that bright smile and such a quiet, pleasant manner. I remember so many times visiting your apartment when we were young and enjoying seeing your father and mother. I also remember her walking so often with him in the neighborhood.
Please know our thoughts and prayers are with you now.*

Love,

Mary
