“ *We are so sorry to hear of the passing of Mrs. Lila. We enjoyed many hours fishing and visiting with this wonderful couple. They were like Grandparents to us and treated us as if we were there own children. They were special people to be friends with. They loved their family and what they had accomplished in life. They always had to tell us about their children and all their life's journey. May God give the family peace and comfort, Just know she was loved by many.*
