“ *So sorry to hear about sister Bea's passing. I've known her and brother EJ all my life. She was truly a sweet and kind sister. We went to the nursing home a year ago and got a chance to see her and sister Childs. I remember laughing with her that I didn't know her 1st name was Lillian which is what the name said on the door. We all look forward to the time when death is no more.*

You all are in our prayers.

Sincerely,
