“ *Sadly I did not know Lill well as she did not attend our Palmyra Heights neighborhood gatherings. Our neighbor Sara Davis met her while in Palmyra Hospital when Lill was there assisting a family member. Afterwards Lill visited Mrs. Sara when recovering at home across from Lill's duplex. That impressed me and was much appreciated by Mrs. Sara [who passed away several years ago]. I hate loosing nice neighbors and am sorry never knowing Lill well. We were always in too big a hurry when we'd pass each other in the alley.
My sincere sympathy to her family for your loss.*

“ It is with deep regret that I write this. I was one of your baby sitters many years ago when you lived next to Mary Helen and Max. My thoughts and prayers are with you.

“ My sister, my friend and confidant. We shared good times and bad times. we laughed together and we cried together. She had so much goodness in her and I loved her so very much and I will miss her throughout the years. May we all be together in Heaven one day.

“ *I would like the family of Lill to know how sad I was to hear of her untimely passing. Lill was employed with Hughey & Neuman, Inc. for many years as manager of Glenwood Manor. Lill was a kind and considerate person who had a wonderful work ethic. I enjoyed knowing and working with Lill for over 15 years. We will all miss her.*

“ *It took a while for me to earn Lil's friendship but it was worth the effort. She was a dear friend and the mother of my best friend, and I will deeply miss her.*

“ Lil was a part of my life for 24 years. Growing up, I spent many a weekend in her home ; eating her famous spaghetti dinners and listening to her laugh. She gave me one of the greatest gifts in my life, her daughter, Sally Amanda Rhodes---my best friend! I will strive to keep the memories alive. I loved her very much and will miss her greatly.
