“ *While I was working on a Ph.D., years ago, I shared an office with Linda at the jr. college. She gave me a little devotional book by Henry Drummond and I have read it so many times. I had not seen Linda in 30 yrs or more, but I remember her fondly and well.*

“ Katherine, you and your family are in my thoughts and prayers. I have wonderful memories of your mother. Mrs. Lowe was the epitome of a southern lady. As a child I enjoyed spending time with you in your home. Your mother was always very inviting and caring. She always wore a warm smile and shared kind words. She will be missed by so many who had the privilege to know her and be inspired by her.

“ Katherine, my thoughts and prayers are with you and your family. Your mother's smile, courage, and fortitude will be missed by many. Even before I knew you, I was an Albany High Student in awe of Mrs. Linda Lowe. Her high standards and demand for excellence in class forced many in the class of '63 to work mighty hard. Not only was Mrs. Lowe a gifted teacher, but also a warm, caring person. I was privileged to visit with her shortly before I moved from Albany in 2001. Always gracious, she and I shared our appreciation for our careers in education (I had just retired). I hold dear her memory and I am thankful for her gift to the youth of Albany. What a legacy!

“ I have only fond memories of Linda Lowe. She was my 12th grade English teacher at Westover, and will always be remembered with highest regards. God bless you Mrs Lowe.

“ *I was also a student of Mrs. Lowe's. I spent many days admiring her. I admired her for many reasons but mostly for her sweet smile and her zest for teaching. She will not be forgotten. Just seeing the past students who have signed here, many of whom I went to school with, is a testimony to her character and the graceful woman that she was. Prayers go out to the family in this time of great sorrow.*

“ Linda Lowe was so much more than a good teacher. She was phenomenal. I did not fully appreciate the absolute gift given to all of us until I moved on to college. As one of her students, I know first-hand how much more prepared her students were for the stringent writing standards of University than others who had not recieved the blessing of Mrs. Linda Lowe. She brought more excitement to literature and the English language than any other teacher I have ever experienced. Now, as a mother of 2 teenaged daughters, I often remember Linda Lowe and try to pass on to them the love of literature that she gave me. I pray that my own children will be blessed by a teacher in the way I was by Mrs. Lowe. I think I have told my girls so much about that particular literature class in 88-89 that they feel as though they were there, too. Linda Lowe's wonderful touch reaches far beyond those who were fortunate enough to sit in her classes- it continues to reach other generations as well. One might say that the world lost a truly wonderful gem when she moved on to be the the Lord, but we all know that she will never be totally gone. A little bit of her was distributed into everyone who ever had the genuine blessing of knowing her. In that way, her sweet spirit will remain with us forever.

“ Weatherly, Katherine and other family members:
Sorry we didn't get to visit but a minute today. The service was so appropriate and came close to recognizing Linda for who and what she was.....a genuinely wonderful woman who lived every single minute of her life with love, dignity and such great courage. The world will miss her but her influence will live through countless thousands she touched throughout her life.....I am privileged to be among those numbers. With love, Patsy Martin

“ Katherine,
I was sorry to hear about your mother's death. My parents said they would send my condolences at the funeral, but I thought I would send a note also.
I would love to be there to give you a big hug. Your mother suffered with Parkinson's for quite a while. It must have been difficult being so far away during her illness. I emailed several Westover friends to let them know of her death. It seems that everyone remembered her as "a great teacher". I remember her as always having a sweet spirit about her.
I hope you and Weatherly's families are doing well otherwise. You & your family are a special memory of my childhood in Albany & Porterfield. Take care of yourself.

“ I will always remember my senior year AP English class with Mrs. Lowe. Lots of Shakespeare and other British Literature. While my love is with Math, she really taught me how to appreciate literature and think in different ways than I was used to. I can still remember vividly reading specific plays and books as well as writing in her class back in 1988/89. In fact, I still have those textbooks and literature books on my shelf today. Mrs. Lowe really made an impact on my life and I'll never forget that. God rest her soul!

“ Mrs. Lowe was an inspiration to me and is one of the reasons I became an English teacher. When I first began teaching in Dougherty County, the highlight of my first year was being at the same workshop as Mrs. Lowe. I think about her often when I prepare my lessons and teach my classes at Dougherty High. God bless her.

“ I had Mrs. Lowe for British Literature the very last year that she taught. Please know how many lives she touched. I was so moved by the story of her climbing a mountain with her daughters, looking down at Tintern Abbey and reading William Wordsworth that I cried. I want you to know that, because of her, I climbed that mountain with my sister, looked down and read the same poem. Mrs. Lowe was class lady whose enthusiasm captivated us all. The world is better for having her in it.

“ I am so sorry for your loss. Ms. Lowe became a very special teacher for me in 1988-89. She was often enthusiastic about my writing. I remember her reading my Hamlet spoof aloud to the class and then suggesting I seek out Tom Stoppard's play *Rosencrantz and Guildenstern Are Dead* because she knew I'd really get a kick out of it. She was such a brilliant lady and I have thought of her often over the years.

“ Mrs. Linda Lowe's beloved William Shakespeare once said ". . .the good is oft interred with their bones. . ." Not so with Linda Lowe!! The good she bestowed on her students will live for generations. "The teacher who is indeed wise does not bid you to enter the house of her wisdom but rather leads you to the threshold of your mind". And that she did! A "master" teacher! She represented the highest ideals of teaching. I truly enjoyed my visits to her classroom as Assistant Principal. Rest assured family, another angel watches over you.

“ Weatherly and Katherine,
So sorry for your loss. Your mother was my teacher in high school and my friend. Truly one of the most influential people in my life - I even kept an essay I wrote about her from years ago. I needn't tell you how much she adored you both, since I am certain she did that often. My thoughts and prayers are with both and your families.

“ Ms.Lowe was my AP English teacher at Westover. There are probably only two or three teachers that really made an impact on me throughout my years at St. Teresa's, Westover, and then Georgia Tech. Ms. Lowe has a special place on that list. I will always remember her fondly. Please know that her loved ones are in my prayers.
