“ Shocked and so saddened by the loss of one of the dearest friends I have ever had in my life, my prayers go out to all of the family and friends who are grieving the loss of such a wonderful person. Although our lives took us in different directions, I have and will always hold dear to my heart the memories that we once made together (ministry trips, praise team, maid of honor in my wedding, and just hanging out being friends). Knowing Linda enriched my life in so many ways--spiritually, emotionally, and relationally. I have missed her presence in my life over the past several years, and now look forward to the day we meet again in Heaven. I love you, my friend!
