“ *Alan and family,*

May I extend my most sincere sympathies for your loss as well as my prayer that God will clearly manifest His grace and peace to you during these moments and comfort you through the love of many friends. To Alan, I have witnessed for many years your faith in God, loving and kind compassion, patience and commitment to your wife and family, dedication to friends and service to others. In this you have been an encouragement to many of us. May it be an encouragement to you and your family in your testimony that: Linda, a very dear woman, was greatly loved and cared for by a faithful husband, a very good man. Well done my friend. May God bless and keep you all.
