“ When my family joined Palmyra Church Linda was one of the busiest members there. She had a beautiful voice and sang in the choir and through the years did lots of solos. She taught Sunday school for many years and never missed. She was President of the UMW and even Vice President of the District UMW. Every job whether it was UMW officer or Chairman of the Board she did to perfection. We have really missed her the past few years since she couldn't come and will continue to do so. Rest In Peace, Ms. Linda!!
