“ *Bobby and family, I only knew your dad from when I lived in Albany years ago, but I know he was a special, loving man. Your family was blessed to have had him as your father. Our prayers of comfort are with your family.*

*I also did not know of Gary's passing. I remember Gary also from our long ago high school days... May God Bless and keep you all.

“ ?Papa Marshall? was a gentle and kind person that we loved from the first moment we met him. He served the Lord with all his heart. We would do well to emulate the example he set.

“ I loved him with all my heart and I'm glad that now he can be with the Lord and be able to hear what everyone says. I am also glad that he died so peacefully. I LOVED HIM SO MUCH! AND I STILL DO!
