“ I really don't know where to start it. Because my mama was Valerie and her and sheree were always together i do know my favorite memory is they talked about walking down slappy drive in Albany and getting caught by their grandfather , I think , sometimes I think of more than a cousin , but as an aunt i know when I had a problem. I could always call and talk to her. She flies high with her wings cause I know she's probably enjoying a cup of coffee and catching up with family love you we will meet again one day

I am so sorry to hear this. Sheree was one of the sweetest cousins I had. She was always upbeat, smiling and always had kind words to say. She will be greatly missed by her family. RIP Sweet Sheree. Love you always!
