“ *It has been many years since my brothers and I have been in touch. We used to live down the street from the Baltzell family when we were children. Mr. Baltzell was always so nice to all of us kids. I can remember the VW Bug they had, we thought it was so cool to ride in. My thoughts and prayers go out to the entire family. May God give you peace in this time of sorrow. To Pam and Steve, know that your father was admired and respected. I know your heart is heavy now, but know that he will always be with each of you through your memories. I know what it means to have a parent pass on. One more thing....My wish for your family.....May God bless and keep you each and every day. God's Peace!!!!*

“ *Those we love don't go away,
They walk beside us every day,
Unseen, unheard, but always near,
Still loved, still missed and very dear.*

I may not have known him like others, but knowing the children he raised and the values he instilled upon them, has allowed me to understand what kind of a man he was.

I do know that he helped people, saved lives, and also raised one of the greatest men I have ever love- Joseph Lloyd Baltzell and that to me that was his greatest accomplishment.

My deepest condolences go out to Steve, Pam, Kim, and Joey. My thoughts and heart are with you guys during this time of sorrow.

Papi, I have one request, always watch over and love Joey!

*Love Always,
Charlene K. Maldonado*

“ What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget. Kim, I pray that God sends his Angels to comfort you and your family through this transistion. God Bless!

“ You were the greatest father anyone could have asked for. I'll always remember you sitting at the end of your kitchen table wearing an old white t-shirt and a trucker hat. Until we meet again, give Mom love and I'll miss you.
