“ *Dear Boria: I have just read the paper and was taken aback by the news, I am so sorry. Words can not express our feelings for you and your family. I just talked to Louise Mims and she sends her thoughts and prayers also. Boria, we love you and are ppraying for you. We think back over the good times we all had together. But God saw fit to call her home to be with him. Our thoughts and prayers are with you.*

*We love you. Marshall & Norma Mooney & Louise Mims

“ Lisa - I read in the paper about your mom. I am so sorry. I just wanted you to know that I was thinking about you. I know we have not spoken to each other in many, many years but I still remember you fondly from Ravenwood. Just wanted you to know that you and your family are in our prayers.
