“ *Even we don't know each other, we have something very important in common. My mother was born exactly 10 days after your mother and she passed away 2 days before your mom. I want to tell you how very sorry I am for your loss and I know what you're feeling right now. I am devastated over the loss of my mom as I know you are also. My thoughts and prayers are with you and your family. Let's pray for each other that our hearts will heal in time. God bless you. Clara Thompson's daughter, Linda*

“ My prayers are with Bill and the rest of the family. I can not be there for the funeral but I will be praying for the family in this time of need. Penny & George, it's been a long time but I know loosing a parent is not easy on anyone. Take care and know that she is in a better place and Leonard is there by her side.

“ Dearest Granny: You've been a steady, solid, loving influence to all those closest to you, including family and friends all over this world. I know that you're resting peacefully and that the Lord saw fit to take you home to reunite you with your husband and other family members who passed before you. Know that you'll be missed by each and every one of us. We love you and await the day that we'll be able to see you again.

“ *My thoughts go out to the Pawley family. my Uncle Lem was your mother's brother. When I come to visit my Mother (Betty Jean) I always looked forward to our Lunch Date with Aunt Lois. She always had a good story to tell and would tell me what book she was reading at the time. I will miss her...*
