“ Where can I begin? So much to say about a wonderful lady. I love you Aunt Lois! You were my Aunt (cousin), And friend. You were just like a second mom to me! Everyone should love life the way you did. You were a sweetheart and a fireball when you needed to be. God only accepts ANGELS in Heaven and you received your wings Wednesday! It is going to be hard looking off my deck and not seeing you come outside, but I know you told me that whenever the Lord took you, that you were ready to go. You gave me some notes to type for you for this time in your life and I was stressing because I couldn't find mine, but as the wise woman you were, you put a sealed copy in someone's hands and told them to take care of it now. It was as if you knew I would stress if I couldn't find it. may you Rlp now, and you and mama have a glorious reunion! Love you!

“ Ms. Lois, to me and the Women of the Moose you were someone very special. You always came in the Bingo hall with a smile on your face. The stories you would tell me about how it used to be at the lodge and all the hard work you did on fundraisers. You are now in God's hands. Look up my mom, dad and Uncle Charlie and give them my love. You will always be in my heart. I love you, Ms. Lois.
