“ *In Loving Memory*  
*Obituary*

*Lonnie C. Wormley, II*

*Lonnie C. Wormley, II was born in Glenridge, New Jersey, on April 16, 1952. He unexpectedly left this earth on December 27, 2021, just after one of his much-beloved bike riding trips with friends in Albany, Georgia, his home.*

*Lonnie was the middle child of Lonnie C. Wormley, I and LaVerne Bates Wormley, and the older brother of Vance, who all predeceased him. Lonnie grew up in Southern California. After graduating from La Jolla High School, he attended San Diego State University. Lonnie was a prolific, talented artist throughout his life. He started drawing seriously in high school winning competitions for his art. After retiring he enjoyed drawing daily and learning digital drawing. His website, Launi Graphics hosts over 400 of his daily drawings among other images. One of Lonnie's passions was creating imaginative characters that would eventually inspire graphic stories for teens. He also worked diligently after retiring on designing and refitting his self-styled camper and planning a cross-country trip to visit relatives and friends.*

*Lonnie followed in his father's footsteps by sharing a talent for creating, managing, and repairing the mechanical and technical. Throughout his career he was employed in technically challenging positions. He last worked for Albany State University as a senior manager in the IT department retiring in 2019.*

*Lonnie greatly appreciated keeping his body healthy and strong. He rode his well-equipped bike over long distances enjoying rural roads and landscapes and socializing with his biking companions. He maintained a healthy diet and lifestyle to support his enjoyment of life.*

*Family and friends remember Lonnie as a loving and kind person, full of humor and goodwill.*

*A loving daughter Kalia and son, Zachary, deeply mourn his death. We mourn as well: An older sister Deborah, younger brother Evan, brother-in-law Peter, niece and nephews Rebecca, Joshua, and Evan, Jr., Terry, his children's mother, cousins, including Lionel, Bruce, Ralph, Froncel, Larry, Wanda and their children, a host of friends and acquaintances, and a second wife, Sylvia.*

*May our memories of Lonnie be a blessing.*

*Deborah, Kalia and Zachary are establishing a scholarship in his honor for an art student at Albany State University. To contribute to this scholarship or for more information, contact [dlvietze@gmail.com](mailto:dlvietze@gmail.com) or [Kaliaesavage@gmail.com](mailto:Kaliaesavage@gmail.com)*

*A celebration of Lonnie's life is planned for April 16, 2022 which would have been his 71st birthday.*
