“ Tommy, Gale, Scott and Family, Lori was one of a kind. She was always upbeat and positive through every storm in her life. She was a witness to all because she loved her Lord and Savior and we talked many times about this in our phone conversations. The last time we talked Lori told me all she ask was for God to let her be able to hold her sweet grand baby!She said she was ready to meet her Savior but just wanted to hold her grand baby. Well, God granted her wish and now she is at the feet of Jesus. I can see her right now, singing, dancing and praising God in a whole body. No more blindness and pain. Lori was special and she will be missed terribly. I thank God for giving us Lori as long as he did. My prayers now are from one of my favorite bible versus. Hebrews 4:16 Let us therefore come boldly to the throne of grace, that we may obtain mercy and find grace to help in the time of need.I love you all and will be praying God will give each of the family peace and understanding in this time of need and days ahead.

Love,

“Lori and I have so many memories together that I couldn't tell about just one. We made each other laugh and usually where you saw one of us the other one wasn't far behind. We became the best of friends in the first grade and have been each other's sidekick ever since. I'm going to miss her terribly and will love her always.
