“ Randy, Jenny, Lydia, Carolyn, Steve and a multitude of friends who loved Cole so much: There are no words that can let you know the grief I share with all of you, over the tragic death of precious Cole Evers. Cole was a gift from God as he went about doing kind things for people every single day. He and Lydia made such a caring twosome, as they carried on these kindnesses for others every single day.
Cole was family to so many friends....including me. His smile would light up the room every time he came in. All I know is that Cole Evers will be missed so, so much by so many.
Know I am on my knees in prayer for God to give you all peace and strength to get through these tough days ahead.....Love you so much.
