“ *Our deepest sympathy goes out to everyone. How I wish that I could of been there to say goodbye to My wonderful loving and crazy uncle. I had the pleasure of speaking to him last year and was able to wish him a happy B-day. Unfortunaltely we were not able to get together this summer as we had planned. But I know that he is now in a better place and very happy to be re-united with his parents, sisters, and his loved ones once again. Our thoughts, and prayers are with you all. May God bless You and give you solace during this difficult time. Loving and Missing You, Your Niece Sylvia*
