“ *My mother, Lucille McLees Myers, and Louise were close as first cousins. They kept in touch until Mama died at 96. My sister Kathy and I took Louise out to lunch right before the COVID-19 lockdown and shared many memories. We had plans too see her again as soon as we could. She was a lovely lady and I cherish her memory.*

“ To the family, my wife and I are so sorry for your loss. When Neel was in high school we had a great parent/teacher relationship with your mother. My wife enjoyed the working relationship with your mother when they were both in the local school system. Throughout the later years I always enjoy meeting up with your mom.
