“ Gail, Sylvia and family members,
You all are in my thoughts. You looked after Aunt Louise and did things just right. She was a special lady. This picture of your mom and dad is one of the precious memories you will have.

“ Aunt Louise and Uncle Mac were wonderful people. I haven't seen them since I was little. I have such fond memories of visiting her house as a child. She used to pull out her daughter's barbies and let me play with them. I remember they were in these neat cases and had such neat little clothes. I used to love walking through her garden with her, she always had such big beautiful roses. I can also remember her having snap dragons and strawberries. I used to go out to their house on Cedric as a child with my Grandma Maedell. I know she is so happy to finally see Uncle Mac in heaven. I pray that God comfort her children and grandchildren.
