“ Dear Ray,
We were surprised and saddened when we read Louise's obituary in the newspaper. We would like to extend our sympathy to you and the family. Louise was a "best friend" for 10 years and she was never replaced as no one could measure up to her and her positive attributes. We have and will continue to miss her very much. Take care of yourself. Love, Gail and Ken Childers

“ Ray,

I am so sad to hear of your loss. Please know that Louise, you and your family are in my thoughts and prayers.
There are still a lot of the former CSSCS community remaining at Fort Lee. Pat Elder kept us informed. We all are remembering the good times and hope that these memories will be part of the strength that sustains you at this difficult time.

Love and Peace be with you and your family,

Paul

“ Ray, Michael, Maureen, and Family

We are with you in spirit this morning and will continue to keep you all in prayer these days. I still want to say, "Ray and Louise" you were always a twosome.

Mike and Maureen, I have such fond memories of your Mom when she and your dad visited your grandparents on Piedmont St. She would stroll over to the Martins and enjoy all of the hectic activity. I immediately thought of your brother Tim when I heard the news. In your loss, Mom is now reunited with your brother and all of her relatives.

I will think of her as a bright star shining down on us and offering to our hearts the peace of God.

I wish I could be with you today.

In love and prayer

“ Ray, Kaye and I were shocked when we saw Louise's obituary in this morning's paper. We would have liked to come to her funeral, but working the election makes this impossible. She was one sweet person. Know that you are in our thoughts and prayers.

“ Ray and Family,

The very sad news that Louise left us to a better place came as a shock to Mazi and I and we would like to extend our deepest sympathy on her passing. Louise was loved by all who knew her and had a friendly word for everyone. There is little anyone can do or say at a time like this, but we wanted you to know that we have thought of you and your family this day and wanted you to know that we doubt if there are many women who possess her kindness and high regards for others that Louise always did. We would be honored if we could help you in any way; please call on us. Our thoughts are with you and your family and we extend to you our deepest sympathy.
