“ I grew up with Lucille and her family a block away from our house.. Lucille was born 10/25/20 and my brother was born 10/13/20.....I was six years younger.

I always thought of Lucille as not only pretty and smart, but also, a very sweet cousin. She always had time for me and when I was learning the saxophone to play in the high school band she worked with me by accompanying me on the piano.

I also remember when Lionel was dating her and I attended their wedding shortly after Pearl Harbor.

My son and I drove through Albany in 2013, shortly after my wife's death, and it was disappointing that she did not remember me. She was one of my favorites and I'm sure she was a wonderful mother.

I would like to touch base with any of you if you inclined. My email address is listed above.

“ Marcia....What a good, long life it sounds as if your mom had! I'm hoping the same for my mom. She's 84 now and plugging away. It's nice that you were close to her and could visit her often. You are in my thoughts.

“ *Eileen and Family,
My sympathy in the passing of your mother. I have such fond memories of Girl Scout meetings at your house back in our Sherwood Elementary School days, as well as other visits I made to your home. I did see her once when I was visiting my aunt in Morningside a few years ago. My thoughts and prayers are with your family.

“ *One of my favorite downtown merchants and advertising customers from over 50 years ago and more recently a resident favorite at Morningside of Albany, Mrs. Balfour continued to remember me and appreciate my visits after her move to Lee County Health Care. She will be missed by her children and friends.*
