“ *Albert and Family,
Lou was quite a special lady. I'm so glad I had the opportunity to know her. She loved people and her Lord as much as we loved her. We are missing her so much at Phoebe. While we are missing her she is having a grand time at her new home. We continue to have you in our thoughts and daily prayers. Take one day at a time and know that God is with all the way. Much love to all, Cathy Ivey*

“ *Albert - I am so sorry I just found out today that Lou had gone home to be with Jesus. I am so proud to have known her for these many years and will always remember her the same way I always saw her - with a big smile on her face. I am so sorry I did not learn of her death earlier; we ourselves were attending a funeral in Arkansas.*

“ So sorry to hear about Lou. She was a very dear friend I loved dearly. I have not seen her recently, but was her hairdresser many years ago until I moved away. Still saw her many times after my move. She was always smiling! Please know I am lifting her family in prayer! God Bless you!

“ While I am terribly saddened by Mrs. Vineyard's passing, I am at the same time uplifted and honored to have known her. The family that she leaves behind is a testament to the strength, elegance and love that she demonstrated and conveyed. Even at such an extraordinarily difficult time, I know that all will celebrate the life that she led. My thoughts and prayers are with Mr. Vineyard, Al, Angela, Doug, my dear friend David, and the entire Vineyard family.
