“ Jean, Donnie and families,
I was so sorry to hear the sad news of your Mother's death. She was certainly a remarkable, fun and loving woman. I have so many wonderful memories of her as a child (you two, Alvin and your Dad also). She was an excellent cook (loved her divinity, can't eat a piece without thinking of her) and a true role model for Jean and I. Mama, Jean and I enjoyed our visits with her over the past years. Know you will miss her dearly. With my sincere Love and prayers.

“ Donnie and Patti, my thought and prayrs are with you and your families. It seems like yesterday that we were all young and going to church together and to each others houses. Those were great times, and will always hold a special place in my heart. I know you will miss your mom, but thank God for memories. God Bless you all.
Love,Rita
