Every now and then, not all the time, not even some time, not even once in a while, but just every now and then someone comes along whose character is so sterling, whose integrity is so pure that she holds in trust the confidences of all those who seek her. And so it was with Lula Galloway, a great friend, a great boss, a bright light among all of us blessed to have known her. She will forever hold a place in my heart. RIP my sweet, sweet friend. You will be greatly missed.

Ms. Lu was a remarkable woman. She had the ability to instantly put people at ease and make them smile. She made everyone feel welcome and loved. Ms. Lu was the epitome of a true "LADY" and I was blessed to have her as my friend. I will never forget her quick wit and her beautiful smile. She loved her family beyond measure and spoke of all of you often and with great pride. Friends like Ms. Lu don't come around very often and I was truly blessed to call her my friend. I will miss her everyday...Loretta Waller

I met Ms. Lu and her family in the mid-eighties while playing softball for River Valley. She loved her family, never met a stranger and always had a smile on her face. She was my mentor and confidant. She taught me how to do arts and crafts, decorate for the holidays and always made me laugh.

She was a second Mom to me and her family welcomed me into their family. They showed me what a loving family looked like.

She was already a bright and shining star on earth. I thank the Lord everyday for bringing Ms. Lu into my life. I will truly miss her.
