“ *My dear Frances and Family, Truly our thoughts and prayers have been with you these past days. We remember fondly Luther through the years as we went on trips and retreats, as we shared the starters for our bread, as many other times. He was a special, caring person.*

“ Our family has lived next door to the Longs for many years and Mr. Long has been a fine neighbor and friend. He and Elizabeth tended to our cat for many years when we were gone and were always glad to be of help. After Elizabeth's passing he and Frances continued taking care of "Bear" when we asked it of them. Mr. Long has always been a positive person, always hard-working and eager to be of assistance to anyone who asked. We couldn't have asked for finer neighbors. Our sympathies go to his children and their families and to Frances and her family.
