“ *Words can never express what Lynelle has meant to me since becoming a member of St. Patrick's and the Altar Guild, serving with her for the past several years. She was exceptional in everything she did, and taught me the true meaning of being on the Altar Guild. I have heard her voice since last Friday, with some of the cute, funny things she would say. She will be missed by both Tommy and me. George, you are in our prayers.*
