“ I want to tell Mr. Davis' family how much he meant to me. I first meet Mr. Davis when I went as an adult volunteer with the youth group,probably 27 years ago,up to north Georgia to a project I think was called Mountain Top. He was so kind and help to watch after me since I was so green on my first trip of that kind. Ever since he has always had a kind word and sweet smile when he would see me. I loved how you could tell the love he had for his wife was so strong. In this day and time you don't see a lot of that. It meant so much to me one Sunday about a year or so ago when I saw him and he said he had not seen me in church for a while and had missed seeing me. That really made me feel so good that someone had missed me and was one of the reasons I am back in church. He will be missed so much by all. My heart has a very special place for him.

“ To the Lynn Davis Family:I am deeply sorry that you have lost your dear loved one. No doubt Mr. Davis led a very promising life and you have enjoyed sharing many years with your loved one. Our heavenly Father wants us to know from His Word the Bible that we do have the hope of the resurrection before us. Because our Creator loves us and wants what is best for us, he allowed his son to die for the sins of mankind so that we could have the prospect of living forever. (Romans 6:23)May you and your family find comfort in knowing that these words will come true because of the hope of the resurrection. Acts 24:15
