“ *Kay,*

I was so sorry to hear about Lynn's passing. I went to school with Lynn for the first twelve years, graduating from Bolton High School. Lynn was a great guy to be around and was loved by all. May God bless you in your time of bereavement. He is now with Jesus.

Lynn had parkinson disease I understand, and I also have it.
God bless you,

“ Family, I would like to say that Lynn was one of the best Engineers and helpful Boss that I have had.
He helped me to be a better person and when I started working for him at Lilliston, after I left my teaching job at Albany High School, he guided me into the world of Engineering where I consider him as one of the "GREAT STANDOUTS".
He will be greatly missed.
I am truly sorry for your loss.

“ Kay,
Bill Dorough let me know about Lynn's passing. I was very sorry to hear the news. I will always remember him as a good-humored mentor as I worked as a co-op student at Lilliston's from 1968-1972. How did we get this old? Lynn was the engineer I wanted to grow up to be and he tolerated my BS with amusement at the situations I could get myself into. I always thought of you guys as the perfect couple, and have had 3 wives myself, trying to get there! I always felt it was very special if I ran into Lynn while in Albany. I seldom go there anymore as I live in Tuscaloosa, retired, and Ma Bowen is 92 and in Spring Harbor Nursing Home in Columbus, GA. Long story, but my thoughts are with you, and I will always think of Lynn as one of those special people that you rarely get to meet in life. Tom

“ *Wilna Jean, Kay and family. I remember Lynn's love of the farm in Rosemark and playing in the hay loft of the barn. Wilna served the best fried chicken on Sunday's for dinner. I am so glad that Lynn stayed with me for a week in Jamestown while he was building his Jim Barna log home.
He will be missed and loved by all of his friends and family.*

“ Dear Wylie Family,

We are so very sad to hear of Lynn's passing. We are close friends of Lynn's son and his family (Cliff, Neema and Ryn) and know that he was a great husband, father and grandfather. We consider ourselves fortunate that we were able to be with Lynn and Kay on several occasions when they visited Seattle. Lynn's laughter and the way our kids warmed up to him will be remembered.

Love,
