“ Madelle has been an important part of my life since I was born in Vero Beach, Florida. She was in high school and a teenager then. She was my father's sister and the youngest of eight children. I lived in the same house as she and have felt an important connection with her all the years since. I regret I did not see more of her in more recent years and now that she is gone I feel a deep sense of loss. I know her family will miss her too. She was a wonderful person. Seven of the eight are now gone and the remaining brother is in his nineties. She had a wonderful life. I miss her and am saddened that I can no longer have the opportunity to talk with her and to see her.
