“ *To John, whom we knew first, as you graduated with Carey in AHS class of '68 and you played in the AHS band with Annlies...little did we know then that years later we would connect with your parents, sister, Donna and hubby, Don, all because of a Westie dog and later a mutt, named RILEY...*

*To Don and Donna, whom we came to know because Ginny and Bob followed up on a dog ad for Westie pups...and years later, as we kept in touch, we gave our RILEY to Bob...RILEY got a new home, where he rated #1, and Bob got a new companion to be his best and loyal friend to share the last year of his Golden years up until the end...*

*May the beautiful undercurrent of His Peace be yours now and in the days to come and as this closes a chapter in your lives, may the memories you made and shared together, be a comfort and an inspiration...blessings from us!*

“ We send our condolences and prayers to you and your family. Though we never had the Honor or privilege of meeting or getting to know Robert, but from what I read and what I shared with Don on the phone, We believe he would have been a joy to know and be around. May God grant you the Peace of knowing that Robert is resting in His paradise, the Joy of sharing his memories and His love to fill the void that has been left by his leaving this world to share with God and Jesus the love of life eternal. Blessings to you all. Love Becky and Mike McCullough
