“ Ken and I extend our prayers and sympathy to Mack's family. Ken always has spoken highly of Mack and enjoys telling me stories of how he and Mack spent countless days working and playing on the farm together. He has shared many memories of his childhood and teenage years at the Cannon house. Mack will be missed. Condolences and prayers for peace and comfort.

“ *Our Prayers are with his family during this sad time. Mack was a pleasure to be around and talk with. I have heard many childhood stories of how Joey and Henry use to pick on him in "loving ways" growing up. May you feel the love and strength of Jesus holding you during this time.*
