“ *Sally, So sad to hear about the passing of your Mom last year. She was one the sweetest people I ever had the pleasure to know. Have lots of great memories of spending time with her and our short trips all over the place. I know you and your brother & sister will miss her terribly. Love to all of you, Diane Kelly*

“ Dear Sally, Sandy, and Brandon,  
I was saddened to hear of your mother's death. I have so many warm, loving memories I wouldn't know where to begin. I remember what a smart dresser and fabulous cook she was, and she had the best taste in interior design. I am glad I was lucky enough to spend the time I did with her; the Tyson family was such a wonderful part of my childhood. Please know that I send love to each of you.

Very truly yours,

“ We loved your Mom and Dad. They were good friends and neighbors to Mel's parents. Margaret was a great decorator and was always changing something in the house and yard. I remember when she put the fire place in the kitchen. She always told me if I had glass in the house keep it sparkling clean. I have a chandelier in my bedroom that was in the dining room of that house. We have missed her for a while!! Great memories.

Love to your family,
