“ *I shall always hold dear my memories of Margaret. From the first time I met her, I only had one thought...let me be just half as cute as she is when I am her age. She just sparkled, and radiated charm and enthusiasm. My life has been enriched by just knowing Margaret.*

“ Older Albanians can not remember downtown without happy memories of Margaret. She was always so very friendly and helpful and a joy to know. Paul of course has many memories of your living at the Munnerlyn that he cherishes.  
Our love and sympathy to each of you in your "temporary" separation.
