Your mother was so very dear to me. I remember growing up together and all the good times we had in your house on Residence St.

My heart aches for all of you during this sad time in your lives. I am sure God's "Beautiful City" has welcomed an "Fine Citizen."

My Thoughts and Prayers are with you.

“ I am so glad I had the opportunity to see Mrs. Margaret recently. She was so much like my daddy. She told it just like it was. That's what I loved about her. I was just telling someone I was visiting in the hospital yesterday, how she once through a cup of ice in the hall at the hospital in order to get a nurse's attention. Mrs. Margaret either loved you or she didn't. In most cases she would let you know. I'm so thankful Andrea and I were on the loved list. Blessings and prayers to the whole family. We Love You!
