“ Chuck and kids, please know that we thought a lot of Nellene. I'm sure you know that Haley thought a lot of Nellene. She looked up to her. Haley has a love of art because of her. I'll always remember the fun we all had on our Europe trip. We love you and will continue our prayers for your family.

“ Nellene was such an inspiration to me. She demonstrated strength, kindness, and good friendship. I met her just over a year ago and she ALWAYS took time out of her day whenever I needed anything. She helped me cope and learn more about my father's cancer as well as her own. I offered her my support and I gained a great friendship. She was SUCH a sweetheart and although I didn't know her person, I knew her well. I will deeply miss her. I do find comfort in knowing that she's in God's house now with no worries or pain. I wish I would've had the chance to meet her here on earth, but I know I will enjoy meeting her in heaven. Hugs to all the family.... "N" will forever remain in my heart and memories.
xoxo, Stacy

“ Mrs. Leckrone was a mentor to me. I am who I am now because of her. I am following in her footsteps and hope that I am able to make half the impact in one of my art students lives like she did for mine. She was an amazing artist and taught me everything I know today. Rest in peace mrs. Leckrone. I love you. If you were to look down from heaven and see me I hope I make you proud.

“ May the peace you discover today and the days and weeks to come be only described as the peace that comes from the Lord. Nellene is also experiencing that same peace. May that give you comfort. Love & Prayers!

“ Chuck, please know that my prayers are not only for our dear Nellene, but also for you, Marlene and Matthew and lively little Emily. Your sorrow at losing such a gracious and loving person must be immense. But perhaps you can take some comfort in knowing that she touched the heart of every person she met with her own spirit, optimism, faith in God and love. Rebel, I will miss you.

“ *Nellene was a great inspiration and friend. Her positive attitude was appreciated by many and she helped anyone who needed her.*

Her artistic paintings were beautiful and I could feel her positive spirit reaching out to me through them.

Her spirit will live through the many lives she has touched.

Your entire family will be in my prayers while you are going through this difficult period.

“ Chuck, Matthew and Marlene,
We just returned tonight from Wisconsin and heard about Nellene. We prayed nearly every morning for her. Our hearts and prayers are with you during this time and the next days ahead. You will experience the peace that passes your ability to understand. Know that it comes from God. Don't feel guilty about having peace in this time. He is our comfort in time of need. Love Bill and Sandy

“ You don't know me, but I met Margaret (stageIVartist) from our online cancer site. She was such a delightful person to e-mail and had so much hope. I often prayed for her and am so sad to know she passed. She was diagnosed around when my Mom was (my Mom passed last year) and I was always so encouraged by her faith. I am sure heaven is better with her, but everyone who knew and loved her will have a life-long void. Please accept my sympathies, but know this woman touched so many people she never even knew and left such a loving and faithful impression on all of us.

“ Chuck, I am so sorry for your loss, and I cannot imagine the depth of your sadness! Thank you for your unwavering faith during Mrs. Chuck's illness! Thanks for always being there for Dani, Chuck and me, and for your always kind and encouraging words even when you were facing mountains of your own! Nellene is with Jesus now, dancing and praising Him! I have seen Jesus through your life, and we are so blessed to be a part of your family's life! We are praying for you and Matthew, Marlene, Katie and Emily.
