“ *I remember how active Margaret was in the United Methodist Women as well as in the church itself. She was a good friend while she lived here in Baconton.*

I remember her telling me one time how fortunate I was to have six children as she was sorry they did not have any. She was very lonely after Ernie died and also a little fearful to live in her home by herself. She decided to move to Auburn to be close to her brother and his family. I wrote her from time to time but she never wrote back. Billy Storey used to keep me posted on how she was doing until he died. He called her every Saturday for several years.

She was a fine Christian lady who loved her Jesus, I was glad to know her and visit with her while she lived here.
