“ To Ms. Trawick's family:
Mrs. Trawick was one of my most memorable elementary school teachers. She too was my fourth grade teacher at Sherwood Elementary School. I remember her quirky sense of humor and her motivation to get you to read by decorating a refrigerator box and allowing the students to sit inside the box during their free time. She left an indelible impression on my life and for that I will always be grateful. I am so sorry for your loss.

“ I am so sorry for the loss of Ms Trawick.. She taught me in the 4th grade. She was the most compassionate person I have ever known then and now.. She was a very kind lady. She was so kind to me and patient toward me. I had so much trouble in math but I can hear her now Annette just take your time and you will get it..Believe it or not I did get it ..I know the loss of her is hard because I lost my Mom in 1997. Just know I will be praying for all of you and may God have his hands on you at all times..Gob Bless all of you
