

## Margie L. Carter Obituary

July 3, 1938 - November 22, 2005

Margie Lee Carter, 67, of Leesburg, left us to be with our Lord and Savior on Tuesday, November 22, 2005 at Phoebe Putney Memorial Hospital. Her funeral service will be FRIDAY 11 AM at the Mausoleum Chapel at Crown Hill Cemetery with interment to follow in Crown Hill Cemetery. The Rev. Billy Hanna will preside. Margie loved to travel and see new things - we know she is enjoying herself now. She died after a 6 year battle with ovarian cancer; she was brave and determined in her treatment of the disease. Margie's career included work as the Albany High School secretary and almost 20 years as a civil servant at the Albany Marine Corps Logistics Base from where she retired as a systems analyst. She received her bachelor's degree from Valdosta State College at the age of 60! Margie's travels included Greece, Russia, Mexico, Bermuda, Panama, Canada, Alaska, Hawaii, and numerous trips throughout Europe. She was also active in her church and community ♦ serving as an officer in the Albany Business Women's Association (ABWA) and as a member of the National Active and Retired Federal Employees (NARFE) Association. Margie was an active member of First Freewill Baptist Church for over 34 years. Survivors include her husband: Jimmie Carter, Leesburg; her three children: Ronnie Carter, and wife Karen, San Antonio, TX; Carroll Dorminey, and husband Keith Killeen, TX; and Stephanie Miller, and husband John, Seattle, WA; her sister: Artie Laverty; 10 grandchildren: Andy Carter, Andrea Carter, Amanda Carter, Logan Dorminey, Lane Dorminey, Lindsey Dorminey, Luke Dorminey, Lawton Dorminey, Joanna Dorminey, and Ellie

Miller; two great-grandchildren: Chelsea Carter, Brianna Carter; a brother-in-law: Bill Davis, Wichita, KS; many nieces and nephews. We all loved her dearly. The family will receive friends at the Crown Hill mausoleum chapel Friday from 10 to 11 AM. Those desiring may send memorials to the First Freewill Baptist Church building fund, 420 N. Westover Blvd., Albany, GA 31702, or to the American Cancer Society, P O Box 1201, Albany, GA 31702.

“ *I have been keeping up with your Mom and her illness by talking with my Mom (Louise Stripling). I know it is a difficult time for all of you and you will be in our thoughts and prayers. If you are ever in the Little Rock area, please stop and see us. Please tell your Dad I will be praying for him as well.*

“ *To Margie's family I send my condolences. Margie was my ABWA (American Business Women) friend. We met at the Denver National Convention in 1994, and enjoyed rooming together at both National and Regional Conventions from then on until her illness kept her from going. She was so much fun to be with and I really looked forward to our twice a year visits. I miss you, Margie. God bless your family. Helen Montague*

“ *Margie has always had a warm, vibrant personality, a quick wit, and a marvelous, melodious laugh. She made numerous efforts to keep in contact with all the cousins, and keep the family together. I kow we all cherish the memories we have and she will enrich and enliven our memories always.*

“ I am so sorry for your loss. I lost my mother to ovarian cancer in December 2001. She fought a 5 year battle and also passed away at Phobe. Please know you are in my prayers. Mama was only 65 when she died and she has also been a school secretary. Couldn't help but notice the similarities. God Bless you all

“ Margie and I had a joke about our being best friends; she always said that she was my 'bestest' friend and I said the same about her. I can truly say that she never let the cancer get her down, she had the best attitude about her illness. She was a lot of fun to be around and was always ready to go somewhere. I would say her middle name was 'go'. I will miss her very much and will always remember her. She is truly an inspiration to me and I'm sure to many others.

“ *Carroll Carter was my closest friend when I lived in Beverly Acres. Carroll, do you remember the little spring we found in the woods? I can't remember what we named it. You, your parents, Stephanie and Ronnie (can't believe he and I graduated together in 1978 from LCHS!), meant so much to me--especially during that time of my life. I crossed your mom's path many times through the years. No matter how bad she felt she always had something positive to say. I love you and your family. May the Lord ease your pain at this time.*
