“ *Marge taught me a lot of golf at Radium Country Club in Albany, Ga plus she and I played in many Pro Ams in different towns. She and Martin were my best friends many, many years ago. She was a great golfer and a great friend to me and my family in the 60's and 70's.*

“ We just wanted to tell you how much Marge meant to us. She and our Mom, Ernestine Barry, became best friends at Seymour during the 18 months that mom lived there. We know that Marge missed her terribly when she passed. Marge also brought our mom many bright days while there. Mom did not want to be there and we had to bring her from her home in Warner Robins so she had to make new friends at Seymour. Marge set next to her during meals and they brought each other much comfort and reasons to keep going. On most occasions when we brought mom out to our home for holidays or just when the kids were here, we would also bring Marge. She became part of our family and all our kids thought a lot of her. The thing we remember most about her was that infectious laugh of hers. You could not be in a bad mood when she laughed. Mike especially brought that laugh out in her as he would pick on her and she loved it. We did not get to spend as much time with her after mom passed as other family obligations arose but we always kept in touch by phone or cards. We loved her dearly and she will be missed. We are sorry that we were unable to attend her funeral but please know that your family is in our thoughts and prayers. In deepest sympathy, Fran and Mike
