“ Price and family, I am so sorry to hear of Mrs. Corr's passing. She was such a special lady! I had many conversations with her and got to know her well sitting at the table at Morningside with her and my mom. I always enjoyed visiting during dinner time because she was so entertaining and fun to be around. She was so proud of you and the entire Corr family. Her face lit up when talking about you all. I know you all have a lifetime of memories with her. I am so sorry I was out of town for her service but you and your family were in my thoughts and prayers. She will be greatly missed!

“ Dr Corr, My sincerest condolences from me and mother (Darlene Carter) for the loss of your mother. I know it will be a great loss in your life and family. I remember meeting her many years ago when your dad was my dad's boss. Only in later years as you became a Doctor and you took great care of my mother and her surgery did i reconnect to your family. My prayers will be for comfort, peace, and great memories of those days spent with your mother. Hugssss, take care of yourself, Alisa Anderson Penrod

“ Mrs. Corr was a very special lady to her many students at Mamie Brosnan. She encouraged me to read more and to challenge myself. I remember many summers helping her in the library with a few of my classmates.
She would take us all to Burger Chef to enjoy a lunch break. My prayers are with her family, that God will give them peace and comfort at this time.

“ Price and family, my heart is saddened to learn of your loss. It's even heavier by the fact I learned of it while out-of-state on vacation and can not be present with you. I'm encouraged by the promise of God's sufficient grace that ushers us believers through such dark and hurtful moments in in time in this life. Thus, my thoughts and prayers are very present with you during this time of your bereavement.

“ When I was caregiving both parents and exhausted, Marguerite heard of what I was facing and gave my folks a month of Wed. Night Suppers from 1st Methodist. That gave me a needed respite and my folks enjoyed the meals so much, they continued them until full time sitters were required. From all I heard, she always seemed to be alert to things to help others. Somehow despite her age we never called her Mrs. like we did other Senior neighbor ladies. She seemed younger than those her age then. She was always very supportive of anything to improve the area. My condolences to all her family at the loss of your very special lady.
