“ *I would like to express our sincere condolences from all the members of the Schwab family. Although we all knew that Maria was very ill, we were very shocked and extremely sorry when we heard that she had passed away. For all of us it was a great comfort to know that she had such a happy life full of love and support. Our thoughts are with you Al at this difficult time.*

“ We, John and Sandy, as well as the Albany Association YABA are deeply sadden by the passing of Maria Kosbau. Although Al and Maria did not have children in our program, they were always there when we needed help. Their dedication to bowling and support will never be forgotton by us. A contribution in Maria's name will be made to the Albany Hospice on behalf of YABA. Our prayers go out to Al and members of his family, from the YABA Family.
