“ Marie was a very dear friend and love one to me for 45 years+. Since she has been sick and I moved to N. Ga. We have not seen each other but a couple of times. We talked when she felt up to it. She, Ken , my husband and I have had a lot of good times together over the years and made a lot of good memories.

It pains my heart to know that we have lost her, but I know she is in a much better place and not having to struggle to breath, laugh or anything else.

She always talked about keeping my son when he was 3 years old (he is now 44).....when she got out of car under their carport and unlocked door to house, she turned around and could not find him. He had climbed up to the top of the pole on the carport, she got her camera and took picture.

We will miss her immensely, Our heartfelt prayers and thoughts go out to you, her family.

*with love
