“ *Mr and Mrs Daulton were wonderful neighbors and would always take time to talk to me when i knocked on their door as a kid. I loved watching them in their garden and I learned a lot about gardening from them! I just love Ms Daulton and always love the memories I have of her. God bless and and prayers to her family.*

“ *We enjoyed having Marianna as a neighbor. We would see her riding her bike all of the time. she was especially kind to our youngest daughter, Heather, who would knock on her door and ask her for a cookie when she was about 4-5 yrs old. Marianna always gave her one so she kept going back fro more, even after I found out and told her to stop pestering. Joan Darden (springfird sub-div)*
