“ *To the family of Marie-Moree: Sylvia and Lance I worked with your Mom many moons ago at Phoebe Putney Hospital in the admitting office. I was very young in my 20's. Your Mom always talked about you I loved listening to her. She was a delight to work with. May God Bless both of you. Kathryn Pierce*

“ Sylvia, so sorry reading about your mother’s death. Guess I will always remember the good times I had with you and Don and your children. Hope everyone else is in good shape. I will hit 79 in June and wasn’t supposed to live beyond 40. You never know. I’m living in Valdosta at a retirement center good apartments good food I can’t be in any better shape than I am now.
