“ *I used to love visiting Bonny and Tony at Aunt Lucille's house. We would play for hours while Aunt Lucille and Granny talked in the kitchen. Y'all remember "that one time" we almost broke my neck on the trampoline. Lol We were all like, let's just go inside and get some water. "Don't tell or we won't get to come back outside". Y'all were always fun to visit! If you ever come to Austin, I'd love to see you again. Rest in peace Aunt Lucille.*

“ Dearest Tony and Bonny,
I'm so sorry for your loss. My heart goes out to you.
One of the memories I think of often is when we were in NC, I hurt myself and Mrs. Alligood took me and my mom to the dispensary. Well, on the way we were behind one of the big military trucks filled with troops. It was going too slow so your mom stepped on the gas, pulled to the right, and we drove through a field flying by that truck! She was a confident and funny person with an infectious laugh. We laughed a lot with her. Miss that. Her wonderful spirit and memories will always be with us.
Love to you both.

“ Tony and Bonny , I can not begin to tell you how sorry I am for your loss. Your mother was one of the nicest and most thoughtful ladies I have ever known. She was so much fun to be with and brought happiness and joy to everyone around. I will never forget what a gracious lady she was and how much she loved her family and friends. Please know that I share your loss and I am praying for you at this sad time. We will all miss her. God bless you and know that my heartfelt thoughts and prayers are with you.

“ *Bonnie and Tony I am so very sorry for your loss. Mrs. Alligood was special person, I will never forget the time in NC her dressing up on Halloween in what looked like a sheet. Not sure it was dark and I was young. This "thing" coming up the drive way saying "chick cheet, chick cheet" scared me and my mom was worried till we heard Mrs. Alligood's familiar laugh.*
