“ *To Eddie, John, and all of her family, my sympathies on the loss of Mrs. Cooling. To echo what Mary Frances has said, I believe that my three sisters and I have always had Mrs. Cooling as part of us. Our parents, Dot and Sandy Sandison, held her in the highest regard and enjoyed her company tremendously. I do think she was like a sister to our mother. Like Mary Frances, I remember her joyous spirit and her ability to make everyone laugh. Among so many memories, I remember her being in our living room darting gleefully around and helping to keep Mama's spirits up when she was ill. She just always lit up the room! Certainly the earth has lost one heck of a delightful angel who was always there for our family, for sure?through births, weddings, anniversary celebrations, deaths and just good times. She brought such joy in life; she'll bring joy forever in memory!*

“ Eddie and John, My thoughts and prayers are with you. Your mom was one of my mother's closest and dearest friends for many years. Our families shared many wonderful memories of fun times growing up,... going swimming and watching movies while our parents played bridge.I'll always remember not only her wit and spunk, but her steadfast loyalty and friendship to my family.Take care.
